## STOCK KRAFT BOXES

## Buying from Asia?

Offshore products and high-quality, full-colour, Canadian packaging make the perfect combination to insure your clients get a product that matches their high standards.

We will decorate, box, bag or attach content requirements for any offshore products you provide. We can label, wrap, direct-print, or re-package with many packaging options.

Please contact us for individual quotes on these projects.

## FOAM LINERS & INSERTS

## Display Boxes and Floor Standing Displays

If your product is going to sit on the store shelves, it has to sell itself with a glance. Display boxes can promote your product or service (such as a counter display for brochures or point-of-purchase displays), or as a stand-up floor display for larger items.

# Kitting Services

Fulfilling your clients' orders isn't just packing and shipping. Orders frequently consist of multiple products from multiple suppliers that need to be combined to produce a complete kit.

At Jay-Line, our goal is to provide kitting services to streamline the supply chain process. Designed with this goal in mind, our kitting services simplify your shipment preparation by organizing delivery of products from multiple vendors and creating custom kits to ship to your end destination.

Whether it's boxing, bagging, sorting, labeling, shrink wrapping or packing, Jay-Line is your solution to all your kitting needs.
